## by way of wes

Enter the whimsical world of Wes Anderson, and not much else will seem to matter. You'll go on adventures, get the girl (and proceed to lose her and get her again), and find yourself—all in one sitting. Subculture is recreating this world with Anderson-inspired artwork, Indie Craft Bazaar vendors, conceptual DJ mixes, live music from Saskatchewan and Levek, and more at this Saturday's By Way of Wes Anderson event. Each corner will be inspired by a different film. A commemorative photo booth will document it all. Forget the itinerary.

By Way of Wes Anderson, Sat @ Green Room, 189 SW 2nd Ave., Fort Lauderdale. \$5.
