## a tale of two cities

Miami vs. Broward: An age-old partying question that doesn't need an answer this weekend. Our vote: Do both this Saturday during Record Store Day. Radio-Active Records will be hosting a slew of bands (Lil' Daggers and Suede Dudes, among them) and Sweat Records will be too (Deaf Poets and Afrobeta are headlining their festivities.) Plus food trucks will be serving up some munchies next to sidewalk sales, screen prints, giveaways, and beer. Why choose between two cities? It will be the best of times.

Record Store Day @ Radio-Active Records, 845 North Federal Hwy, Ft. Lauderdale, @ Sweat Records, 5505 NE 2nd Avenue, Miami. 9am.
